

## WILLS, TRUSTS AND INHERITANCE

Members advise and litigate regularly in these classical areas of Chancery. Amongst the matters dealt with are:

- Construction of wills and trusts
- Probate claims (challenging wills for want of testamentary capacity, knowledge and approval etc)
- Administration actions (including appointment, removal and replacement of personal representatives and trustees)
- Tracing
- Inheritance Act claims
- Trusts in the family home

The experience in Chambers is wide ranging from fine points of will construction to challenging forged wills, from removal of dilatory executors to drafting deeds of variation.
